## REPORT.

.....

THE Managers present their Report for 1932-1933, which taking into consideration the world financial depression, may be considered a satisfactory one. The economies talked of and begun in 1931-32 have been well sustained.

The re-arrangement of the Staff has worked quite well owing to the loyal co-operation of the Matron and Nurses.

Sister Joseph left to be married, having been at the Hospital 4 years.

The number of In-patients has been 120, with an average stay of 14 days; 48 major operations were performed, and 65 minor ones, including 23 dental cases. The general result has been: cured 103, relieved 6, transferred 3, died 4, and 4 remain undischarged. The number of Out-patients has been 173, involving 965 visits, and 90 minor operations.

In the district there have been 21 Maternity cases, 401 district cases and 2,796 visits paid.

Gifts have included a Frigidaire from the Chairman, and an Anon. £30 to be spent on beds and bedding. The Pantomime was not held this year, a great loss to the Hospital, but a few kind friends got up a "Bring and Buy" Sale which did much to soften the blow; other gifts will be mentioned at the Annual Meeting.

They again desire to express their thanks to Medical Officers, Matron and Staff for all their care and attention to the patients during the past year.

## OBJECT AND MANAGEMENT.

The object of the Hospital, as laid down in the Trust deed (1907) is the treatment "at a low rate of payment" (each case to be considered "on its merits") of sick or injured persons of the "working classes" resident within a radius of five miles from the building, but not excluding any other persons injured by sudden accident within this area.

The Managers include:—

- (a) The nine nominated or co-opted Trustees, of whom three represent the Subscribers, three the "Workmen," and three the Founder.
- (b) Nine elected persons, of whom six represent the Subscribers, and three the "Workmen," and are to be chosen respectively by these classes. At least three Managers must be women.

## RULES.

1. The Hospital year ends on March 25th, when the accounts shall be audited and a report prepared for circulation to Subscribers and the public.

2. Two Subscribers' Managers and one Workmen's Manager, shall retire each year, their successors to be elected at the Annual General Meeting which shall be held as soon as practicable after March 25th, and shall be open to the public. The Chairman, Treasurer and Secretary shall be elected each year by the Managers at their first monthly meeting after the General Meeting. All the above shall be eligible for re-election.

3. No person will be admitted to the Hospital who is of unsound mind or is suffering from an infectious or incurable complaint, habitual ulcers or consumption, nor, as a rule, any pauper, or any child under four years of age. Cases that can be sufficiently well treated at home not to be admitted. The Hospital is not registered for maternity cases.

4. There is no fixed scale of charges. Each case shall be investigated and charged according to the circumstances of the patient. Any patient who is an insured person under the National Health Insurance Law or a member of a Friendly Society not having dependents shall be required to pay the Hospital the whole of his or her sickness benefit towards the cost of treatment.

The charge for a Private Ward shall be £4 4s. a week, excluding theatre charge (£1 1s.), dressings, special nurse or any extras required or ordered by the Doctor.

5. Doctors shall be allowed to charge for attendance for any patients, but in cases where the Managers decide to charge less than three shillings a day the Doctor's charge, if any, shall not exceed ten per cent. of the Hospital bill.

6. No Patient to remain in Hospital longer than one month without permission from the Doctor in attendance, and not longer than two months without the consent of the Managers.

7. Visiting days and hours:—Sunday, Tuesday, Thursday, 2 to 4 p.m., all days 7 to 8 p.m., subject to the Matron's consent. Not more than two visitors shall be together at any one bed.

8. Patients may not eat any food, fruit or sweets brought by friends without the permission of the Matron.

9 Except by special permission of the Matron, smoking is allowed only from 8 to 9 a.m.; 1 to 2 p.m. and 6 to 8 p.m.

10. The Managers will not be responsible for any funeral expenses.

11. Certain appliances may be hired on application to the Matron, otherwise no articles, the property of the Hospital, shall be removed from the premises.

12. The name of the Hospital shall not be used in connection with any public entertainment except with the written consent of the Managers.

#### DISTRICT NURSE.

1. The District lies within a 2 mile radius of the Hospital; but the Nurse is not to be required to go beyond the limits of the Urban District of Ellesmere, except in Emergency and Maternity cases.

2. Fees charged to Patients outside the above area are to be settled by the Committee.

3 Applications for the Services of the Nurse are to be made at her lodgings, 10, Willow Street, or by telephone to the Hospital. She must leave her address at the Hospital if she is out of town. Any complaints are to be made direct to the Secretary.

4. When engaged at any house, the Nurse must carry out the Doctor's instructions. She is forbidden to receive either money or presents from her patients.

5. The Nurse must report in her day book, all visits, and must show her book to a member of the Committee who shall be designated for this purpose.

6. The Nurse must not attend any infectious cases.

7. The Nurse is entitled to three weeks holiday in the year.
